8 December 1986

MEMORANDUM FOR THE RECORD

SUBJECT: Publicity for Routes 123/193 Road Improvements

1. On 5 December, I received a call from Mr. Lee Feldman, Public Affairs Officer from the National Capital Planning Commission (NCPC). After the 4 December 1986 public hearing regarding our offsite road improvements on Routes 123/193, the Commission Chairman asked Mr. Feldman to determine whether CIA would be interested in some favorable publicity. The Chairman suggested that the public might be interested in the positive manner in which the Agency had provided local citizens a mechanism to raise their concerns. I advised Mr. Feldman that I would have to check with my immediate supervisor and the Public Affairs Office before I could respond to his question.

STAT 2. On 5 December, the Director of Logistics stated we should advise NCPC that we do not wish any publicity. On 8 December, my secretary contacted [redacted] Office of Public Affairs, and indicated we were going to advise NCPC that we do not wish any publicity. Later, on 8 December 1986, I attempted to contact Mr. Feldman, but he was not available. I then asked Mr. Bozarth of NCPC to pass my response to Mr. Feldman. Mr. Bozarth indicated he occupied an office just across from Mr. Feldman and would pass him my message.
